2.- Palabras

- Primera palabra

Minimony

a small wedding ceremony that is held instead of, or before, a bigger celebration

Minimonies are a good compromise for couples who've been forced to postpone their weddings due to COVID-19.

- Segunda palabra

Slow fashion

describes clothing which lasts a long time and is often made from locally-sourced or fair-trade material

Slow fashion is the movement of designing, creating, and buying garments for quality and longevity. It encourages slower production schedules, fair wages, lower carbon footprints, and (ideally) zero waste.

- Tercera palabra

Water talkie

device which makes talking underwater possible

The **Water Talkie**, a must-have for every swimmer, was created by 11-year-old Richie Stachowski.

- Cuarta palabra

Tablescaping

the activity of setting a dining table in a very artistic, decorative way, usually for a special occasion

Put simply, **tablescaping** is the art of dressing your table for a dinner party or special occasion – in the same way you might put together an outfit for a night out.
